

# Live Bidding at StampAuction NETWORK

Participate **LIVE** from anywhere in the world in Witherell's first Live Auction  
January 16th 1:00pm EST via StampAuctionNetwork.com!

The Alton Holje Barnes 'Cape of Good Hope' collection offers multiple copies of all varieties including the storied and elusive Solomon Wood Blocks and features studies of forgeries and a nice array of postal history from the same period. Well preserved with literally no "space fillers", the condition and diversity of this collection should be viewed as a rare find for serious Cape of Good Hope collectors! ([Link to Live Auction](#))
